

VILLAGE OF MIDLOTHIAN BUILDING DEPARTMENT

14801 S. Pulaski Road, Midlothian, IL 60445
P: (708) 385-8642 F: (708) 389-0255

NEW CODES BEING ADOPTED

The Village will be adopting new building codes over the next couple of months. Most will be amended with the information being available on the Village's web site. The address is <https://www.villageofmidlothian.net/>. Below are the proposed codes:

- 2018 International Code Council International Residential Code
- 2018 International Code Council International Building Code
- 2018 International Code Council International Property Maintenance Code
- 2018 International Code Council International Mechanical Code
- 2018 International Code Council International Fuel Gas Code
- 2018 Chicago Electrical Code
- 2014 Illinois Plumbing Code pending IDPH amendment approval
- 2018 Illinois Accessibility Code
- 2018 International Code Council International Energy Code which is amended by the State of Illinois. This code usually goes into effect the first quarter of the following year. In this case Q1 of 2019.

If you have any questions, please email the building department through the Village web site or you can use buildingdepartment@villageofmidlothian.net
