P: (708) 385-8642 F: (708) 389-0255

buildingdepartment@villageofmidlothian.org

## **SOLAR PANEL PERMIT REQUIREMENTS:**

- Submit a completed permit application. Missing information may delay permit approval.
  - Include a stamped statement from structural engineer.
- Provide details/drawings of work being performed and state materials being used.
  - Specifications sheets of all equipment to be installed.
  - Additional electrical permit may be required.
- **INSPECTIONS:** The owner, applicant or contractor is required to call the Building Department a minimum of 24 hours (one business day) in advance for the following inspections. Inspections are only performed M-F during regular working hours. Two (2) inspections may be required
  - Final electric inspection
  - Final solar panel inspection
- **All inspections shall be completed before the permit expiration date.**

It is understood that approval of plans submitted to the Building Department for review is a conditional approval only and construction shall be subject to compliance with Village of Midlothian Ordinances.

It is further understood that, in the event of conflict between the approved plans and provisions of the ordinances, the ordinance shall be the final authority.
